

Security – The role of technology in risk-based security

SITA ICT 2015 Athens

Ray Batt

Director Business Development

SITA Government Security Solutions (EUR)

SITA

Create success. Together

There are known knowns. These are things we know that we know. There are known unknowns. That is to say, there are things that we know we don't know. But there are also unknown unknowns. There are things we don't know we don't know.

Donald Rumsfeld

21st Secretary of Defense from 01 to 2006 under President George W. Bush.
