

# 2012 MBA CSC Annual U.S. Conference

June 19-22, 2012 | The Grand Hyatt | Seattle, WA

## Advanced Practitioners Roundtable

Our Advanced Practitioners Roundtable is an opportunity to share what you learned during the conference. Moderators with topical expertise will capture "best of" content while attendees rotate through up to 3 topical discussions. Topics include:

- Networking, teaching it better
- Making the workplace appealing to Gen Y
- Technology. What's new? What works?
- Job search strategies for internationals
- Ethics in the hiring process
- Programs & activities for working professionals
- Strategies for building employer & university partnerships
- Building partnerships with existing on campus departments.

This café style session will allow you to maximize the conference experience by reflecting on what you learned and listening as other share their "best of" experiences.

Goals:

- Summarize what was learned from the conference and what can be applied.
- Give attendees opportunity reflect on their own learning and increase conference value.
